STEGH Hosts Community Information Sessions Learn about the Approved Redevelopment Project

St. Thomas, ON – The St. Thomas Elgin General Hospital Board of Governors is hosting a series of sessions to provide the community with an opportunity to learn more about the approved redevelopment project and recent accomplishments at the Hospital; and to provide an opportunity to ask questions and speak with Board members and Hospital staff.

The approved redevelopment project includes a new 15-bed acute mental health inpatient unit, and related outpatient mental health programs and services; a new emergency department; new surgical suite; new central supply department; ambulatory care department relocated to existing space in the Complex Continuing Care area; and improvements to the Hospital's main entrance and circulation through the Hospital campus.

The project was approved on August 24, 2011. Detailed planning is underway, construction is expected to begin in 2014, and project completion anticipated in 2016.

Session Details:

Monday November 14 @ 7pm

Timken Community Centre
2 Third Ave, St. Thomas

Tuesday November 22 @ 7pm

Old Town Hall Community Theatre
38 John Street S., Aylmer
