

## Media Release

Monday March 2, 2009

### **New Obstetrical Training Program Kicks-Off at STEGH with Funding from TD Canada Trust**

**St. Thomas, ON** – Managing Obstetrical Risk Efficiently (MORE<sup>OB</sup>), is a new education program being launched at the St. Thomas Elgin General Hospital (STEGH) this week. And it is a donation of \$50,000 from TD Canada Trust that has made this possible.

MORE<sup>OB</sup> is a continuous patient safety improvement program for physicians, midwives and nurses, as well as all others within the obstetrical and neonatal units, to enhance patient care and safety.

MORE<sup>OB</sup> is endorsed by the Society of Obstetricians and Gynaecologists of Canada and is a patient safety, quality improvement, and professional development program for obstetricians, family physicians, nurses, midwives and administrators in hospital obstetrical units.
