

Join Our Dynamic Psychiatry Team at STEGH!

St. Thomas Elgin General Hospital (STEGH), a fully accredited 179-bed facility renowned for its comprehensive medical services and state-of-the-art facilities, invites applications for a full-time position in our Psychiatry Department.

Location: Conveniently located just 30 minutes from downtown London and Western University, and only 15 minutes from the picturesque beaches of Port Stanley, STEGH offers a vibrant work environment in the heart of Southwestern Ontario. With the recent opening of the Amazon Fulfillment Facility and the Volkswagen Battery Cell Factory under construction, Elgin County is poised for significant growth, with its population projected to increase by 25-40% by 2046.

About Us: We are seeking a dedicated psychiatrist to join our team at St. Thomas Elgin General Hospital. The ideal candidate will hold an MD or equivalent and be eligible for licensure in the Province of Ontario, with certification in Psychiatry from the Royal College of Physicians and Surgeons of Canada, or an equivalent body. We are particularly looking for candidates with an interest in General Psychiatry and a passion for working in a collaborative, dynamic, and patient-centered environment.

At STEGH, you'll have the opportunity to further develop our Mental Health Care Program while collaborating with primary care teams and community mental health care partners. You will also play a key role in education and capacity building within the community, contributing to a culture of continuous learning, innovation, and clinical excellence.

Mental Health Care Transformation: Mental health care across the South West region has undergone significant transformation, shifting services from tertiary care settings to community-based care, including hospitals. As part of this initiative, STEGH completed the build of an acute care mental health suite in 2018.

Educational Opportunities: As a community-training site affiliated with Western University, STEGH provides educational opportunities for medical students and residents. This collaborative environment, coupled with the chance to contribute to clinical innovation, makes it an exciting place to advance your career in Psychiatry.

Location: Conveniently located just 30 minutes from downtown London and Western University, and a mere 15 minutes from the picturesque beaches of Port Stanley, STEGH offers a vibrant work environment in the heart of Southwestern Ontario. With the recent opening of the Amazon Fulfillment Facility and the Volkswagen Battery Cell Factory under construction, Elgin County is poised for significant growth, with its population projected to increase by 25-40% by 2046.

Application Process: Interested candidates are invited to submit a letter of intent and curriculum vitae to:
